Invites you to Experience the Extraordinary

"Transform"

Intuitive Coaching For Women

"Where small thoughts can become great things"

Do you feel "blocked" and unable to move on?

Have you lost direction?

Has there been a trauma in your life?

Are you still looking for your place in the world?

Do you have a personal goal but no idea how to reach it?

If any of the above applies to you, or if there is any other area where you sense you need a little help in finding a solution, please get in touch.

This unique to you program involves 5 coaching sessions of 60 to 90 minutes each, & includes email/phone consultations for up to 3 months following your first intuitive coaching session.

I offer an initial 30 minute initial consultation (either by phone or face to face) so that you can discover how

we can work together in enabling you to enjoy a truly self-determined and successful life.

At the initial 30 minute consultation session I will outline what you can expect from me and answer any questions you may have. We undertake your journey of discovery together and my job is as your guide, in enabling you to

discover how you can transform your life.

The fee for this potentially life changing opportunity is just £597, payable at your first full coaching session.
